

Scent Work Match

Sunday • July 9, 2017 • Fryeburg, Maine

Description

Sunday, July 9, 2017, 9am to 3pm

Novice level Containers, Interior and Exterior searches using birch odor. Option of FEO pairing (pairing teams will run at the end of the group). First dog can run blind hide but second dog will run FEO known hide. Participation is limited to 20 runs per element. Judging will be done by AKC rules.

Staging area will be inside the air conditioned agility building with plenty of crating space available. There is limited outside shade at this location.

Location

Telling Tails Training Center, Fryeburg, Maine.
